This Ship

I saw a ship, a ship, a ship, a sailing ship on the ocean.
I saw a ship, a ship, a ship, a sailing ship on the ocean.
They raised the mast, raised it high
When a skull and crossbones caught my eye
So this ship, this ship, this sailing ship
Was a pirate ship on the ocean

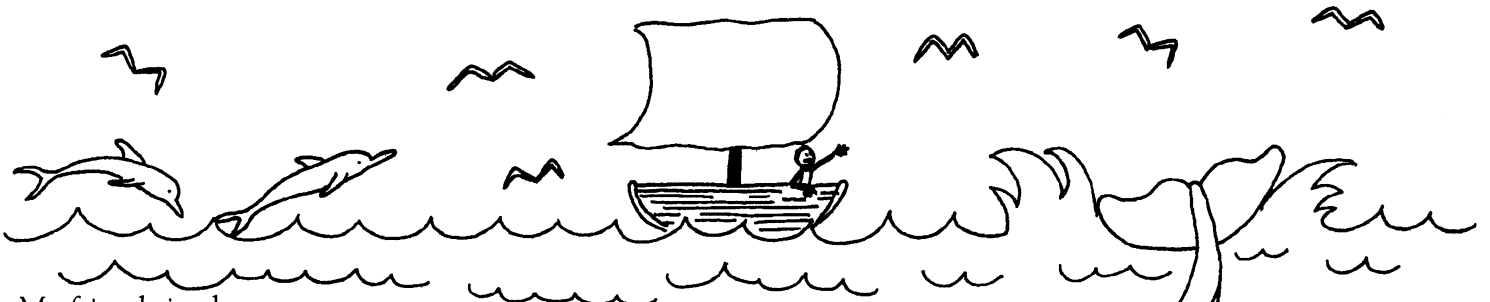

Heave ho! Away they go!
Blow ye winds, heigh ho, heigh ho!
This ship, this ship, this sailing ship
Was a pirate ship on the ocean

I saw a ship, a ship, a ship, a sailing ship on the ocean.
I saw a ship, a ship, a ship, a sailing ship on the ocean.
A peg-leg pirate said, "A hoy! Come on aboard!"
As he pulled his sword
Then this pirate ship sailed away from the shore
This pirate ship on the ocean

Heave ho! Away they go!
Blow ye winds, heigh ho, heigh ho!
May fair winds blow wherever they go
May fair winds blow wherever they go
May fair winds blow wherever they go
This ship, this ship, this ship, this ship
This pirate ship on the ocean.

My Friends In The Sea

My friends in the sea
are waiting for me
to get in my boat with the sail.
I'll ride on a wave.
In water, I'm brave.
My friends will be leading my trail!

My friends are the dolphins,
my friends are the whales.
My friends are the creatures of seafaring tales.
They speak from the ocean,
they speak from the sea.
I know when they're speaking,
they're speaking to me.

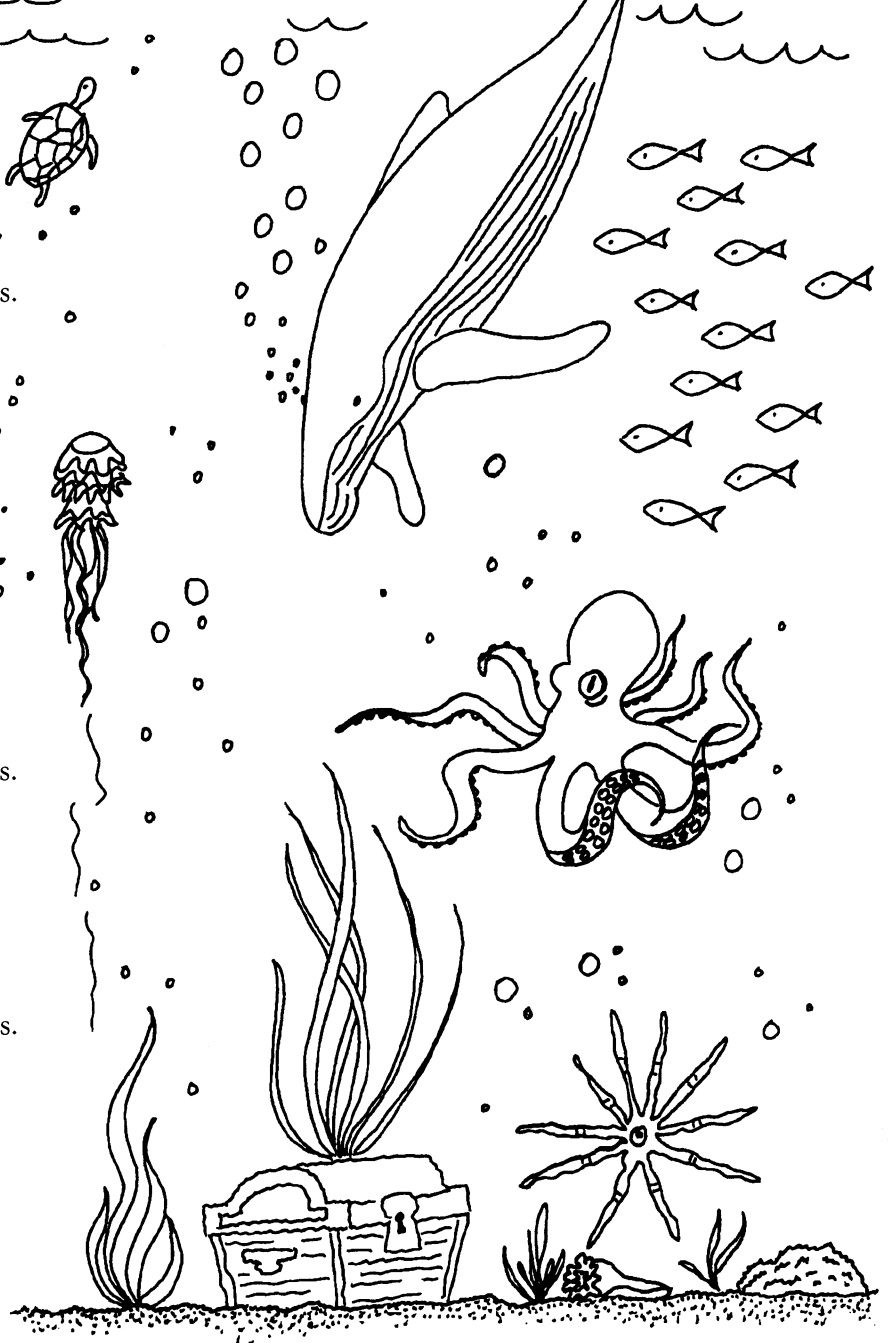

My friends swim to me
from under the sea.
They come to the surface to play.
In water so blue,
my friends rendezvous
and dance in a water ballet!

My friends are the dolphins,
my friends are the whales.
My friends are the creatures of seafaring tales.
They speak from the ocean,
they speak from the sea.
I know when they're speaking,
they're speaking to me.

My friends are the dolphins,
my friends are the whales.
My friends are the creatures of seafaring tales.
They speak from the ocean,
they speak from the sea.
I know when they're speaking,
they're speaking to me.

I know when they're speaking,
they're speaking to me!

My friends in the sea!

The Pop-Eyed Pirate

There once was a pirate with googly eyes
That always made him look...surprised!
He wore patches over both of his eyes
'Cause when he took them off he was...pop-eyed!

Pop, pop this a-way
Pop, pop that a a-way
Pop, pop, pop went his googly eyes

Pirate, look this a-way
Pirate, look that a-way
Both of his eyes were...pop-eyed!

Both of his eyes were...pop-eyed!

Party, Me Heartey!

Calling all pirates, grab some grub.
Party, me heartey.
We'll celebrate and have some fun.
Party, me heartey pirates!

Up on the poop deck pirates pause
To thank each other one and all
Ho ho ho and ha ha ha!
Party, me heartey pirates!

Calling all pirates, grab some grub.
Party, me heartey.
We'll celebrate and have some fun.
Party, me heartey pirates!

Up on the poop deck pirates pause
To thank each other one and all
Ho ho ho and ha ha ha!
Party, me heartey pirates!

In peril, we have plundered
What a treasure we've found today!
What a treasure we've found today!
So really, it's no wonder
We're gonna party like pirates do!
We're gonna party like pirates do!

Calling all pirates, grab some grub.
Party, me heartey.
We'll celebrate and have some fun.
Party, me heartey pirates!

Up on the poop deck pirates pause
To thank each other one and all
Ho ho ho and ha ha ha!
