Meowzart: Once upon a time in a land far, far away there was a cat named Meowzart who was friends with all the dragons until one day...

Lucy: Wait a minute this isn't a fairy tale.

Coral: Yeah and this story isn't about you.

Meowzart: Sorry, wrong show. *Ahem* It all began in the Cool Cat and Exotic Animal Adoption center in Zoomville. Here we meet a handful of cats.

Mr. Cow: Mooooo?

Meowzart: Well, mostly cats - who are waiting for their forever home.

Mercury: I'm Mercury and you should take me home because I don't cause any chaos.

Bowbo: I'm Bowbo a cute little kitten.

Coco: I'm Coco a very cuddly cat.

Phe-Phe: I'm Phe-Phe a fierce smart kitty cat.

Mimi: I'm Mimi. I may be tiny and shy but I'm very sweet.

Evie: I'm Evie, take me home because I don't make a big mess.

Taco Cat: I don't why I'm here...I'm definitely a taco. Please don't eat me.

Mr. Cow: I definitely belong here...mooseeeooww. While I'm here we're going to have an "udderly" good time.

****Itty Bitty Kitty Cats****

Lucy: What adorable cats. I think I will adopt them all! And this cute cow.

Mr. Cow: But I'm a cat.

All: *(excited sounds)*

Meowzart: Lucy takes them to her home to meet her puppy, Coral.

Lucy: Welcome to your new home. You wait here, I'm just going to put away my things first.

Mercury: Wow look at this place - it's so big!

Phe-Phe: Oooh I see a chair that will be a perfect nail file.

Bowbo: And look at all those shiny things up on that shelf.

Mercury: I think they'd look better if we just rearranged them a little bit. I totally won't knock them off or anything.

Phe-Phe: Ok everyone....let's do our thing!

Puppy: Ruff ruff ruff! Hold on a minute!

Mercury: Who are you?

Puppy: I'm the dog of this house...and I'm not about to let you mess up my home.

Phe-Phe: We'll this is our home now, too....and that's just what we do.

Bowbo: Yeah, a little mischief and mayhem never hurt anyone.

****Mischief and Mayhem****

Coral: (*thinking to herself*) Grrrr...how can I get these cats out of here? Ooh, I know! I'll lock them outside (*speaks to the cats*) Hey there new friends, if you like the inside of your new home, you'll LOVE the outside. There's so much room to run around. C'mon, I'll show you.

Meowzart: The puppy leads the cats to the back yard, who are all so excited to continue exploring their new home.

Evie: Look at all the birds!

Coco: And squirrels!

Mimi: And butterflies!

Mr. Cow: And grass to eat...I mean lizards...definitely lizards...who likes grass? Ew.

Taco Cat: Last one to catch something is a rotten burrito hairball.

Meowzart: The cats start running around with excitement.

Coral: Hey, I think I saw a hummingbird over there by that tree! (*to the side*) Hahaha all that mud over there will get them so dirty my Lucy will want to take them back to where they came from.

Evie: I'll get it!

Coco: No, me!

Mimi: Ack! Mud! My paws! My beautiful paws!

Mr. Cow: My hooves! I mean paws! Who has hooves? Not me.

Taco Cat: Hooray! I'm so dirty no one will want to eat me now!

Coral: Oh good, here comes Lucy.

Lucy: Oh my goodness! Not even here for 10 minutes and you're already filthy! Well, looks like a bath is in order. Come inside, everyone!

****Squeaky Clean****

Coco: I've never felt so clean and soft before.

Mimi: I'm exhausted. I think it's time for a nap. I haven't slept in at least...20 minutes. There is a nice sunny spot right over there by the window.

Mr. Cow: Moooooove over. Make room for me.

Coral: *(makes a noise)*

Mimi: What was that?!

Baby: *(random loud baby noises)*

Mimi: And that!

Baby: Kitty kitty, puppy puppy!

Coco: This is no time for relaxing. Run for it!

Coral: It's the tiny tail puller! Wait for me!

****Scaredy Cat Strut****

Lucy: There you are my baby. Are you hungry? Let's go get you a bottle.

Evie: Is it gone? My fur is standing straight up!

Taco Cat: I wasn't scared.

Mercury: Yes, you were. I saw you run under the table.

Taco Cat: How could I do that I don't even have legs?!

Phe- Phe: I'm a hunter and I was ready to attack it.

Evie: Can we go back to napping now? I just want to snuggle.

Coral: That was close. Hey, I like snuggling too. Maybe you aren't so bad after all.

Phe-Phe: Hiss! Not with me! I'm going to the top of the bookshelf.

Mercury: No need to have a hissyfit, we're all different and that's ok.

****Meow Meow Meow****

Mr. Cow: Being a cat is the greatest thing in the world. Mooooooew!

Taco Cat: You're not a cat!

Mr. Cow: And you're not a taco!

Taco Cat: At least I'm actually a cat.

Mimi: I love that we get to eat, sleep, and play all day.

Coco: Who wouldn't want to be a cat? It's the best.

Coral: I don't know, I still like being a dog. But I guess you're all pretty cool in my book.

Evie: You're not so bad either, pup.

Lucy: I'm so glad it looks like everyone is getting along. If only I could be a cat as well and join them.

Baby: Kitty kitty!
