

## **Kitty Cat Capers Junior Chorus Spring 2021**

Amelia: Welcome to the Kitty Paws adoption center for cats.

Jasmine: We have many different cats for you to choose from.

Sofia: Hopefully, you can find one that is just right for you.

Amelia: My name is Mila and I would love a forever home.

Jasmine: My name is Lily. Please take me home with you.

Sofia: My name is Rosie the Cat. We just want someone to love us.

Maeve: We really are sweet nice kitties! Well, most of the time.

Adrian: Selina, what are you doing?

Malia: Nooothing...I'm just sitting here (she swats something off the table).

Maeve: Stop being such a typical cat.

Adrian: Yeah, we want someone to take us home!

Malia: But that's what we do...we cause mischief and mayhem.

### **\*\*Mischief and Mayhem\*\***

Soraya: I want to run around. Let's go play outside for a little bit.

Saidee: I don't know isn't it still muddy from the rain yesterday?

Grady: A little mud won't hurt us. Tag! You're it!

Soraya: Not for very long! Here I come!

Saidee: Oh no! You two are a mess. Look at all that mud.

Grady: Good thing we are cats and can easily make ourselves squeaky clean again.

Dorian: Now that we are nice and clean, we can play in the kitty tunnel.

Henry: Great idea! Last one in is a rotten...(*vacuum sounds*) What is that?!

Dorian: AHHHHH it's the loud sound monster machine!

Henry: Let's get out of here!

### **\*\*Scaredy Cat Strut\*\***

Kiran: Is it gone?

Naia: I think so. Phew, that was close.

Maximus: I wasn't scared.

Kiran: Yes, you were. I saw you hide under the table.

Naia: I'm a hunter and was ready to attack it!

Maximus: Well, were all different and that's ok.

### **\*\*Meow Meow Meow\*\***

Kendall: It looks like someone is going to adopt us!

Alessandra: Yay! I can't wait to see what our new home will look like.

Duncan: I'm looking forward to having someone to cuddle with.

Kendall: Yeah, being a cat is great. We get to lay around and sleep all day.

Alessandra: Who wouldn't want to do that?

Duncan: We are so lucky. I bet everyone wants to be a cat.
