Carol of the Bells

Hark how the bells, sweet silver bells
All seem to say, "Throw cares away"
Christmas is here, bringing good cheer
To young and old, meek and the bold

Ding, dong, ding, dong, that is the song
With joyful ring, all caroling
One seems to hear words of good cheer
From everywhere, filling the air

O how they pound, raising the sound
O'er hill and dale, telling their tale
Gaily they ring, while people sing
Songs of good cheer, Christmas is here!

Ding, ding, ding, dong
Ding, ding, ding, dong

On, on they send, on without end
Their joyful tone to every home
Hark! How the bells sweet silver bells
All seems to say, "Throw cares away"

Ripple

Solo: Every day I wake up with a single dream runnin' through my head.
To throw a tiny stone into a mighty stream and watch the ripples as they spread.
Well, we fall in line, follow every rule, but is that something we should really take pride in?
Cause we're treading water in the kiddie pool, when there are oceans we could turn the tide in

All: If you wanna make a ripple. If you wanna make a wave
Playin' safe and thinkin' small doesn't move the ball at all
There's humanity to save.
If we never test the waters we'll never know just how far the ripples go.
Do you wanna make a ripple, ripple, ripple?

Solo: Just lift one person up, that leads to two then four, and then it jumps from four to eight!

(Ripple, ripple, ripple)

Solo: Yes! Soon, you guys it multiplies to thousands more, can you hear it reverberate?

(Do you wanna make a ripple, ripple, ripple?)

Solo: All across the world, the change is gaining some traction. Man you began a chain reaction!

All: If you wanna make a ripple, that can turn into a wave
Time to mean what you're about, gotta turn this motha' out, friends it's just called being brave.
Maybe more than just a ripple
Make the choice to take a chance, let's put on our big-boy pants.
If we only skim the surface we'll never know just how far the ripples go.

Can we redeem the unredeemable? *(Is it redeemable?)*
Can we just risk it all and find a way? *(Can we find a way?)*
Can we accomplish the impossible? *(Is it impossible?)*
Well, it's impossible to say!

Solo: But I have to believe inside the worst of us there is some decency there? *(We can do it.)*
I know that we can achieve something miraculous if we only dare! *(Do you dare?)*
Do you dare to do the impossible?

All: If you wanna make a ripple. If you wanna make a wave
Then let's fry some bigger fish, ask forgiveness, not permish, there's humanity to save
(We can do it, send a ripple through it!)
Can't resign yourself to ripple, cause you'll barely make a dent givin' ninety-nine percent
Go for broke because it's time that we finally know...just how far the ripples go
Watch how far the ripples go! Watch how far the ripples go! How far the ripples go!
