# Winter Walk

Winter sky. Blowing the snow around me.  
Falling down. Far as the eye can see.  
Evergreens bearing the weight of snowfall.  
Beauty breaks here on this winter walk.  
Oh.

Lovely white covers the rolling landscape.  
Winter frost covers each pane of glass.  
I can hear laughter as children play and  
I feel joy here on this winter walk.  
Oh.

Sunlight sparkling on each flake of snow.  
Bright the day becomes, though it was gray.  
Feel the wonder of the world around us.  
See the brilliance of a winter day.

Winter sky. Blowing the snow around me.  
Falling down. Far as the eye can see.  
Evergreens bearing the weight of snowfall.  
Beauty breaks here on this winter walk.  
Oh. Oh.

## **Lots of Latkes**

### **Part One**

Peel potatoes, grate them too,  
Add eggs and flour to the brew  
Be sure to stir it through and through  
Yes, now we're on our way!  
Take some batter pour it down  
Into a fry pan, shape it round  
And fry until they're crispy brown  
And then you'll hear us say:  
"Give us lots and lots of latkes  
'Cause it's that time of year  
Lots and lots of latkes  
'Cause Hanukkah is here!"  
Lots and lots of latkes  
Just pile them on our plate  
Lots and lots of latkes  
It's time to celebrate

### **Part Two**

Applesauce or try some sour cream  
Make those latkes taste just like a dream!  
Grab a spoon and dab some on the side  
Get a fork it's time to open wide  
And eat latkes, latkes  
How we love this time of year!  
Latkes, latkes  
'Cause Hanukkah is finally here!  
Latkes, latkes  
Please just pile them on our plate  
Lots of latkes it's time to celebrate

### **Part One and Two at the same time**

#### **All**

They're things of beauty to admire  
Pile them higher, higher, higher!  
*One potato, two potato, three potato four*  
*We love latkes give us more!*  
We can hardly wait...  
Yes, it's time...to...celebrate...  
Just pile them on our plate!

## **Santa Claus Boogie**

Who's that up there in the sky?  
Hey, that's Santa flyin' by!  
Rudy and the reindeer by his side  
Doin' the Santa Claus Boogie!

Laughin', singin' all the way  
On this happy holiday  
It's not work. Hey, it's all play  
Doin' the Santa Claus Boogie!

You can trust the man in red  
He'll do everything he said  
Sleigh's all loaded and the work is done  
Time to fly and have some fun  
Now, look up quick or they'll be gone  
They've been waitin' all year long  
In the sky's where they belong  
Doin' the Santa Claus Boogie!

Santa Claus Boogie!  
Santa Claus Boogie!  
Santa Claus Boogie!  
Boogie woogie woogie all night long!

Santa Claus Boogie!  
Santa Claus Boogie!  
Santa Claus Boogie!  
Boogie woogie woogie till the break of dawn!

You can trust the man in red  
He'll do everything he said  
Sleigh's all loaded and the work is done  
Time to fly and have some fun  
Now, look up quick or they'll be gone  
They've been waitin' all year long  
In the sky's where they belong  
Doin' the Santa Claus Boogie!

And it's up, up and away  
Up there in the Milky Way Doin' the Santa Claus...  
Santa Claus Boogie Woogie...  
Boogie woogie woogie all night long!

## **Shine Like Stars**

### **Solo 1**

I'm dreaming wide awake. This is the life I make.  
Don't need a holiday...to make me feel this way.

### **Solo 2**

Listen up, take a chance. You can sing, you can dance.  
You can live like there's no tomorrow.  
Give it time and you'll find there's a rule, there's a rhyme  
Move along and the rest will follow.

### **Duet 1&2**

I...want you to know

### **All**

Oh, yeah! We shine...like stars!  
Oh, yeah! We shine...like stars!  
Like stars!...Like stars!...

### **Solo 3**

What are we waiting for? It seems we still want more.  
No one can take away. The dreams we have today.

### **All**

You can go with the flow.  
Don't you see? Don't you know?  
There's a light, let it burn inside you.  
You can shout, let it out.  
Not a care, not a doubt.  
This is it, let the moment guide you.  
I want you to know

### **Small Group**
